Mr. David Long  
President  
Texas State Affordable Housing Corporation  
2200 E. MLK Jr. Blvd.  
Austin, TX 78702

Dear Mr. Long,

Please regard this letter as our documented support for the rehabilitation of Compass Pointe Apartment aka Sandpiper Cove, a 192-unit, affordable, project based Section 8 development for low income families.

The Galveston Regional Chamber of Commerce, the oldest Chamber in the State of Texas, has been promoting and advocating for business for 175 years. We have served the area containing this development since inception. The rehabilitation of this development, which is entering its fiftieth year in operation, is much needed and will enhance the lives of some of the most vulnerable populations in the town of Galveston and in Galveston County more broadly. For these reasons, the Galveston Regional Chamber of Commerce is in full support of the application for funding.

Please feel free to contact me with any questions.

Sincerely,
