**Guidelines for Commitment:**  
 Attendance is required so that attendees receive a meaningful experience from investment. Participants and their employers must be willing to commit the necessary time to fully participate in the program. To graduate, a participant is required to attend the mandatory orientation retreat and all monthly sessions in their entirety. Participants must also commit time necessary to work with classmates on class project. While it is understandable that, on occasion, an absence is unavoidable, a participant may not miss more than one (1) class session and must complete additional enrichment activities to make up any missed time. **Tuition is non-refundable.**

**2022- 2023 SESSION DATES:**
